Terms and Conditions:

Definitions

"DFO" means Fisheries and Oceans Canada (formerly Department of Fisheries and Oceans).

"First Nation" means First Nation noted as a Licence Holder in this Licence

"Fish" means those species of fish listed in Parts I & II of Schedule I of the Pacific Fishery Regulations, 1993, including herring spawn.

"Fishery" means fishing under the authority of this licence.

"Licence" means any type, kind or category of licence as defined in the Fishery (General) Regulations.

Gear and Gear Identification The following gear is permitted to be used for Salmon harvesting:

- (a) Rod and reel (Angling);
- (b) Dip nets

**Species, Quantity of Fish, Area(s), Dates, Times, Gear and Gear Identification**

Subject to amendments to the conditions of this licence and subject to close times as may be varied by the Director-General, Pacific Region, DFO in accordance with the Fishery (General) Regulations, species of fish set out in this licence may be harvested under this licence,

- (a) in the maximum specified quantities,
- (b) during the specified dates and times,
- (c) with the specified gear, identified or marked in accordance with the specified method,
- (d) at the specified locations, and
- (e) in accordance with the other conditions,
set out in this licence.

Subject to closures and other terms and conditions of this licence, the authority to fish each species set out on this licence will expire on the date specified or earlier if DFO, after consultation with the First Nation, has determined that the maximum quantity for the species has been reached.

This licence is for a maximum quantity for the term of this licence, for management purposes only, and is without prejudice to maximum quantities in future years. Should the First Nation reach their maximum specified quantities and require more, DFO will enter into discussions with the First Nation on the fish species they require.

This Fishery is limited to the harvest of Chinook salmon. All efforts and attempts shall be made to return all non-target species including Sockeye, Steelhead and Sturgeon to the water alive and unharmed.

Use of Fish

Fish caught under this licence are for food, social and ceremonial purposes. Without prejudice to future agreements or regulations, sale of Fish caught under this licence is not permitted.

Designation of Individuals

The First Nations will designate persons who may fish under the authority of this licence and will issue a designation card ("Designation Card") to each person, which will bear a unique designation number.

Designations are personal and non-transferable. Proof of designation must be carried at all times by designated persons while participating in the fishery or while transporting fish harvested in the fishery. Proof of designation must be presented to any Fishery Officer or Fishery Guardian upon request.

Compliance with the Fisheries Act

Pursuant to subsection 22(6) of the Fishery (General) Regulations, compliance with the Fisheries Act and the regulations made under the Act is a condition of this licence.

Catch Monitoring and Harvest Reporting

Catch monitoring will be conducted by the First Nation and DFO.

Catch information will be collected by DFO and/or the Nicola Tribal Association, as agreed upon with DFO technical

staff and submitted to the DFO Lillooet office in a mutually determined format, on the Monday of each week, during the fishing season.

Catch and effort information will be reported to Cynthia Breau or a designated assistant. Contact information as follows:
